WHAT IS MINTOAK ALL ABOUT

- Mintoak's mission is to provide SaaS (Software as a Service), which enables banks to empower merchants with financial services and solutions through a single platform
- The company's modular platform with pay-per- use pricing is white-labelled for each banking partner, which makes the entire proposition attractive to banks
- Mintoak offers APIs to allow banks and financial institutions to customise the platform to their brand and integrate the features seamlessly into their existing systems
